

Service Delivered with Heart: **Your Premier Transportation Solution Source**

S-2 is your premier transportation Solution Source, specializing in time and service sensitive freight management. Backed by technology, powered by people, S-2 helps to **solve customers' unique challenges** delivering reliable and customized multi-modal solutions. S-2's comprehensive service offerings include:

Expedited Ground Shipping

S-2's ground expedite services ensure timely and efficient transportation of goods, meeting the diverse logistical needs of their clients with dedication, precision, and 24/7 support. Sprinter van to Semi, S-2 has a virtual fleet spanning the U.S. and Canada for all your hotshot needs.

Truckload and Flatbed

With a network of dependable and cost-effective partners across the United States and Canada, S-2 provides comprehensive truckload services. Tough lane? High Visibility? Seasonal Surge? S-2 will assess customer parameters to ensure quality service at the optimal price.

Drayage and Inland Transport

S-2's drayage and inland services offer reliable and seamless transportation of goods, providing efficient and cost-effective solutions for the movement of cargo from and between ports, airports, warehouses, and distribution centers – with careful coordination designed to minimize transit disruptions. Last minute or last free day? S-2's services mitigate demurrage costs.

LTL Management

Through comprehensive LTL partnerships, S-2's team of transportation management specialists provides a wide range of transit and pricing options at competitive rates, and one point of contact for all freight shipping, including small packages. Backed by technology, powered by people.

Heavyweight Air Cargo

S-2 has leveraged volume pricing for door-to-door, heavyweight air through cargo air providers. Managed air services are accessed through our TOP program for both domestic and international needs. For highly time sensitive freight, check out our Air Charter Management and Hand Carry services.

With S-2, you can be assured that your shipments are being handled with the **utmost professionalism**, guided by a **dedicated team** of Freight IQ experts, and backed by our number one priority: **premier service delivered with heart**.

Contact S-2 at **(678) 432-9502** or email **info@s-2international.com** to learn more about the advantages of partnering with us as your premier shipping and transportation Solution Source.
